Gregorian: Pure Chants comes to the Coronado

For more than 20 years, more than 3 million people in 31 countries have been enchanted by the performances of the Gregorian Pure Chants as they blend ancient with modern for a moving musical experience. These 8 classically trained English vocalists bring audiences to their feet with their covers of songs from the 13th century as well as songs written by Coldplay, Joni Mitchell, Paul Simon, and more.

Nemo Studio is proud to announce that due to audience demand, GREGORIAN will extend its first-ever North American tour to theaters and performing arts centers in the Fall of 2024. The first leg of the tour, which performed in 26 US cities April-May '24, was a success.

GREGORIAN returns in November to complete its debut tour run across North America. The tour features special guest performers, Amelia Brightman and Narcis, a rare male pure soprano.

Tickets are on sale now at www.ticketmaster.com, or coronadopac.com.
